

increasing that to "sixty-five". Let me explain the reason for that. When an individual wishes to attempt to be elected to the Board of Trustees, he or she must file within 30 days before the election. The notice of the election is then directed to those residents in the district which provides for 45 days. With the 50 days that is in the statute at the present time, there are not sufficient abstractors to make the proper corrections so that there is sufficient time for notice. So what we're doing is to extend the period of time from 50 days to 65 days to allow additional time for these changes to be made. I might point this out that the corrections on 30 days for filing and also 45 days for notice were accomplished in LB 313 last year, Senator Cavanaugh's bill. But it was an oversight that the 50 days was not adjusted to 65 to place things in sync. (sic) so that's what I'm attempting to do with this particular measure. I would move if there are no questions, for adoption of these three amendments.

PRESIDENT: Record your vote. Record. The motion carries. Senator...

CLERK: No, it doesn't. 24 ayes, 1 nay.

SENATOR STONEY: I think Senator Simon may have pressed the red button in error.

PRESIDENT: You have an aye vote then? Now, the motion carries.

SENATOR STONEY: That's all of the amendments. I would move unless there are additional questions, to advance 228 from General File to E & R Initial.

PRESIDENT: Senator Lamb.

SENATOR LAMB: Senator Stoney, where is this "or" that you are talking about?

SENATOR STONEY: Do you have your Journal open Senator Lamb? On page 673, if you'll move down to line 1, it's about three-quarters of the way down the page. It shows "clerk of election commissioner". It should be "clerk or election commissioner".

SENATOR LAMB: OK, my question is where do you get the "or" in there? How did you put the "or" in there? Did you do that by amendment here on the floor?

SENATOR STONEY: Yes. That was adopted. They notify the county clerk or the election commissioner. It was just a typographical error.

SENATOR LAMB: You amended the amendment here, is that right?

SENATOR STONEY: I amended the committee amendment yes, because it was a typographical error.

PRESIDENT: The motion is to advance. Record your vote. I second Senator Stoney's plea. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: The motion carries; the bill is advanced. In the North Balcony, we have some very special guests of
